Decal Placement & Sizing Instructions

2026 WISSOTA Racing Season

VERY IMPORTANT:

The following instructions **must be followed** for the 2026 WISSOTA racing season. Failure to comply may result in penalties or non-compliance with WISSOTA regulations

GENERAL REQUIREMENTS

- **Logo Colors:**
No colors may be altered on any WISSOTA or partner logos.
- **Sizing:**
When downloading decal files, you **must ensure** the decals match the exact sizes listed below. Design software may display different measurements upon download; however, the **final printed size must match the dimensions provided in these instructions.**

Tier 1

- Decals **must be located at the top leading edge of the door.**
- If you are racing in the **WISSOTA Structural Building Late Model Challenge Series**, the decal provided in this download **is mandatory.**
- This decal **must be placed directly next to the WISSOTA decal.**

Tier 2

- Decals must be located on an **exterior side panel**, clear and visible.
- Recommended placement is **next to or directly below Tier 1 decals.**
- The **Structural Building decal is mandatory for ALL WISSOTA Late Models.**

Tier 3

- Decals must be located on an **exterior side panel**, clear and visible.
- The **Bassett decal is required only** for:
